

JUNE UPDATE

Rapid Improvement Strategies Class Well Received

Rapid Improvement Strategies class, presented by Shirley Moore, RN, PhD, FAAN from Case Western Reserve University, Cleveland, Ohio. Videoconferencing allowed quality professionals from several Nevada locations to attend and interact. Course evaluations were very positive. Attendees had some questions about story boarding. Attached is a reference for using this Quality tool.

Summer Networking Session July 22nd, 4:00-6:00 p.m.

Networking session plans are underway. Sessions will be held both in Las Vegas and Reno. We want to encourage mixing so we are having only two sites this time. Please plan to call-in if you are not able to attend either LV or Reno sites. Join us for appetizers and conversation. Bring a colleague.

Las Vegas – HealthInsight Office – 6830 W. Oquendo Rd.

Reno – Nevada Hospital Association Office, 5250 Neill Rd., Suite 302

Please RSVP to: mjordan@washoecounty.us

September or October Mock Trial

The Education Council is working on details for a Mock Trial education session. The session will help identify areas for improvement at your agency to decrease the likelihood of occurrences that may lead to legal action. It will also address how to deal with a trial situation if necessary.

Instructors: Audra Stewart, Risk Manager at Summerlin Hospital (Nurse and Medical Malpractice Attorney) and Robert Ferry, Meadowstar Consulting (Certified Legal Nurse Consultant providing consultation and clinical training to more than 40 home health facilities).
